MEMORANDUM

To : All surgeons  
From : Dr. Lee Hoi Che, DMS - CAO  
Date : 22 January 2011  
Our Ref. : ACAO/M3/LHC/2011  
Subject : **List of operations / procedures that our OT can support**

Dear Doctors,

Hong Kong Baptist Hospital is committed to providing high quality and professional services tailored to our doctors' needs. Towards this commitment, we continue to provide advanced instruments and nursing expertise to enable you to provide the best possible and safe treatment to your patients. Our Operating Theatre is one of the most advanced surgery facilities in Hong Kong. Every O.T. Staff strives to work with you with excellent team spirit and Christian values. Attached is a list of operations / procedures carried out in our OT for your easy references. For further clarification or for any services not listed here, please feel free to contact our OT staff at 2339 8620.

Doctors who wish to use our OT facilities are requested to apply for the privileges. Please contact our staff at 2339 8872 for the appropriate forms. Apply for such hospital privileges without supporting evidence will not be considered.

Thank you for kind attention.

Yours sincerely,

Dr. Lee Hoi Che
