

Stoma & Wound Care

造口及傷口護理

Introduction

The Hong Kong Baptist Hospital Nurse Clinic (Stoma and Wound Care) is the first Private Hospital Nurse Clinic which specializes in providing the most professional and comprehensive nursing services for stoma and wound care. The Clinic is led by experienced wound care nurse specialists. Latest technology and advanced products for stoma and wound care are adopted. Services include screening of patients, assessment of wound, management of wound and evaluation of treatment progress. The Nurse Clinic aims at promoting modern wound care management concept to the community and at the same time, improving quality of stoma and wound care service.

The Nurse Clinic commenced services in October 2005 and is dedicated to offer wound and stoma care to both in and out patients as well as patients referred by private practitioners and community centres.
